ENISA

Outcomes of 1st EFMS Meeting

★ main objective to pan EU exercise - enhance MS' coordination efforts during crisis

★ focus on communication channels and/or points of contacts

★ start simple and pragmatic, be open and transparent to all MS (e.g. table-top exercise)

★ goal of 2010 very ambitious

★ step-by-step approach followed by a roadmap

★ experienced MS full fledge members, less experienced MS observers

★ private sector has a key role to success

★ ENISA

  ★ facilitate information sharing & good practices regarding national exercises

  ★ prepare a good practice guide on national exercises

  ★ facilitating role in the development of a pan European exercise

★ JRC provides operational and infrastructural support to run the exercise

ENISA's GPG - Roles and Steps

Identify → **Plan** → **Conduct** → **Evaluate**
