Agentschap Telecom
Ministerie van Economische Zaken
en Klimaat

The banner features the ENISA logo at the top left, followed by the text "ENISA TELECOM SECURITY FORUM". Below this, the ENISA logo is repeated with the full name "EUROPEAN UNION AGENCY FOR CYBERSECURITY". To the right, there is a graphic of a globe with blue and yellow continents, showing three stylized human figures standing on it. Above the globe is a blue icon of a padlock with a keyhole. Several white concentric arcs radiate from behind the globe, suggesting signal transmission or network activity.
