RECORD NO: 78

EUROPEAN VULNERABILITY DATABASE

Record 28 of processing operation "European Vulnerability Database"

Date of last update	10/03/2025
Name and contact details of controller	ENISA, Operations & Situational Awareness Unit, osa [at] enisa.europa.eu
Name and contact details of DPO	dataprotection [at] enisa.europa.eu
Name and contact details of Joint Controller	N/A
Name and contact details of processor	• www.cve.org operated by the MITRE Corporation ("MITRE") (https://www.mitre.org/) as ENISA has been accepted as a CVE Numbering Authority (CNA) • European Commission EU Survey tool, for collection of feedback of EUVDB visitors
Purpose of the processing	The purpose of the processing operation is ENISA to be able to assign CVE IDs to vulnerabilities, operate the EU vulnerability database and be able to receive feeback to the EUVD website maintained by ENISA, pursuant to art.12(2) of Directive (EU) 2022/2555.
Description of data subjects	• ENISA staff members being appointed to interact with cve.org and have a user account at the aforementioned website • Visitors of EUVBD website, operated and maintained by ENISA, who wish to provide feedback through the relevant feedback form
Description of data categories	• For ENISA staff members accessing cve.org: first name, last name, email address, IP and logs of actions taken when connecting to the platform • For visitors to EUVDB website providing feedback: email address and feedback content
Time limits (for the erasure of data)	• For ENISA staff members, data are retained by cve for as long as they are registered to cve.org • For EUVDB visitors providing feedback, data are retained up to 6 months after it was submitted
Data recipients	Dedicated cve.org staff managing users' details, dedicated ENISA staff members for EUVDB feedback and dedicated staff of EU survey platform providing technical support. The data may also be available to EU bodies charged with monitoring or inspection tasks in application of EU law (e.g., internal audits, European Anti-fraud Office – OLAF).
Transfers to third countries	Data transfers of ENISA users of the CVE.org platform takes place pursuant to art. 50 (1) (a) of Regulation (EU) 2018/1725 Data transfers of visitors feedback data outside EU/EEA does not take place.

Security measures - General description	General security policy and technical/organisational measures applicable to ENISA's internal IT systems and ENISA's website. Security measures of ENISA's processor (under specific contract with ENISA). Restriction of access to events participants data based on need-to-know basis.
Privacy statement	A data protection notice is available to ENISA users and visitors of the platform.
