Curriculum Vitae

PERSONAL INFORMATION Mattheus Yeomans

POSITION IN THE ENISA MANAGEMENT BOARD Alternate – representative of Malta

WORK EXPERIENCE

Mr Yeomans is the current Team Leader within CSIRTMalta (the National CSIRT for Malta). He also is the alternate contact point within the NIS cooperation group. During 2017 and 2018, he was involved in the NIS transposition into Maltese legislation and was the local co-ordinator for the Maltese submission and eventually the award of the CEF2017: Cyber Security funding program for Malta.

He has 10 years past work experience within the public sector in relation to EU funding projects, namely WERMED project co-funded under Interreg IIIB MEDOCC and "Developing a National Environmental Monitoring Infrastructure and Capacity" Project cofounded under ERDF 156. His work experience includes procurement, logistics, deployment and installation of sophisticated monitoring networks as well as experience in representing Malta at Commission Meetings for the Env. Noise Directive 2002/49/EC for its transposition and direct implementation into Maltese legislation and representing Malta within Ecurie/Eurdep working group that is European Radiological Data Exchange Platform.

EDUCATION AND TRAINING

Mr Yeomans has a Masters in Information Technology, a Bachelor (Hons) in Mathematics and Physics and a Diploma in Information Technology, all issued by the University of Malta.
