## ENISA CYBERSECURITY CERTIFICATION CONFERENCE 2023

ENISA Cybersecurity Certification Conference, is organised by the European Union Agency for Cybersecurity (ENISA). They will take place in a hybrid format on the 25<sup>th</sup> of May 2023.

The virtual organisation of the events is supported by the online teleconference platform of ENISA, Cisco Webex Meetings that will be managed by T&T Executive SA for the purposes of the above-mentioned events.

**Your personal data** in the context of APF2021 shall be processed in accordance with the Regulation (EU) 2018/1725 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data<sup>1</sup>.

**The data controller** for the processing of your personal data in the context of this event is ENISA (Market, Certification and Standardisation Unit).

ENISA is responsible for the overall organisation of the events as well as the communication with the participants before and after the end of the event.

ENISA will maintain and manage the web page for the online registration of the participants for all events.

**The legal basis** for the processing operation is article 5(1)(a) of Regulation (EU) 2018/1725, on the basis of Regulation (EU) No 881/2019, in particular the provisions establishing the tasks of ENISA.

The purpose of the processing of personal data is to organise the online events, register the event's participants through ENISA's website, provide registered participants' access to the virtual sessions through the teleconference platform, as well as communicate with the registered participants within the scope of the ENISA Cybersecurity Certification Conference.

The data processors involved in the processing operation are:

- EAUdeWeb, established in Romania, who is responsible for ENISA's web site hosting under specific service contract with ENISA;
- CISCO Webex<sup>2</sup> that will be the backup teleconferencing platform that ENISA uses under the European Commission's DG DIGIT SIDE II Framework Contract.

- T&T Executive SA, established in Greece, who is responsible for the technical support of the hybrid events, including management of the teleconference platform during the events

**The following personal data are processed for the events' participants:**

- Contact data: first name, last name, organisation and email address (collected upon registration at ENISA's website and further processed by ENISA and processor EAUDEWEB)
- Connection details for virtual session: username, email address (optional), IP address, user agent identifier, hardware type, operation system type and version and further technical connection data. These data are processed by CISCO (processor) in order to provide for the event and for analytics purposes.
- User generated information: discussion chat logs, meeting recordings, uploaded files. These data are produced through the CISCO Webex platform during the event. They will be processed by ENISA and deleted from CISCO Webex platform after the end of the event.

**The retention periods** for the personal data are as follows: the participants' contact data will be kept by ENISA for a maximum period of 6 months after the end of the events, unless the participants have provided their consent upon registration for further processing by ENISA (in order for the participants to get informed about future ENISA activities and events). In the latter case, ENISA will keep the contact data until the participants withdraw their consent<sup>3</sup>. The personal data related to the connection and use of the teleconference platform, will be retained by the relevant processor (Cisco Webex) for the period necessary for the provision of the teleconferencing service. Personal data will be deleted after the end of the retention periods

**Recipients of personal data:** access to your contact data is granted only to designated ENISA and staff, who are involved in the organisation of the three events. Access to the personal data may be provided to EU bodies charged with monitoring or inspection tasks in application of national or EU law (e.g. internal audits, European Anti-fraud Office – OLAF).

**Storage of personal data:** the contact data collected upon registration at the ENISA website are stored on the ENISA's (and contractor's EAUDEWEB) servers and are only processed within EU/EEA. Personal data related to the connection/use of the teleconference platform are stored / Cisco Webex servers within EU/EEA and may include transfers of personal data outside EU/EEA, subject to the provisions of Chapter V Regulation (EU) 1725/2018.

**You have the right** of access to your personal data and to relevant information concerning how we use it. You have the right to rectify your personal data. Under certain conditions, you have the right to ask that we delete your personal data or restrict its use. You have the right to object to our processing of your personal data, on grounds relating to your particular situation, at any time. We will consider your request, take a decision and communicate it to you. If you have any queries concerning the processing of your personal data, you may address them to ENISA at [isdp@enisa.europa.eu](mailto:isdp@enisa.europa.eu).
